THE READ

SCRIPTURE PLAN

This plan takes you through the entire bible in one year. The scriptures are divided up into sixteen "chapters" and organized in semi-chronological order. You'll read two or three chapters a day, and sometimes skim through larger portions that contain genealogies, census information, etc.

PSALM OF PRAYER

One Psalm is listed each day for you to slowly pray **through**, making its words your own. By the end you'll have prayed through the book of Psalms 2.5 times.

VIDEOS

Each day you come to a new biblical book there will be a short animated video on The Bible Project website about that book's design and message and what to look for as you read. You can also sign up to have those videos emailed to your inbox. In addition to videos regarding books of the Bible, you will find theme videos relating to several topics that appear throughout Scripture.

POSTERS

Free downloadable posters from each Read Scripture video are available on The Bible Project website under each video.
